Correction to: Adaptation and validation of a coding algorithm for the Charlson Comorbidity Index in administrative claims data using the SNOMED CT standardized vocabulary

Stephen P. Fortin^{1*}, Jenna Reys¹ and Patrick Ryan¹

Correction: *BMC Med Inform Decis Mak* 22, 261 (2022).
<https://doi.org/10.1186/s12911-022-02006-1>

Following publication of the original article [1], it was reported that there was an error in the code list for ‘moderate or severe liver disease’ in Additional File 1: Appendix A. The corrected Additional file 1 is included in this Correction and the original article has been updated.
